

IWBLCM 2023

3rd International Workshop on Biorefinery of Lignocellulosic Materials
12-15 September 2023, Córdoba, Spain

Dear participants,

We are pleased to inform you of the activities which are planned for the congress. We would be grateful if you let us know in advance which ones you are interested in participating in, so as to ensure a good use of the financial resources of the congress, and to prevent any waste of food.

Tuesday, September 12 --> Welcome cocktail after opening ceremony

Wednesday September 13th --> Congress lunch. Afternoon visit to the "Patios of Cordoba" and Cordoba City Council reception event in "Caballerizas Reales" (royal stables) with a tasting of a glass of wine.

Thursday September 14th --> Congress lunch. Visit to "Medina Azahara" and gala dinner (both places will be reached by bus provided by the organization).

Friday September 15 --> Congress lunch.

We are looking for funding for simultaneous interpreting at the congress. Please select your preferred language of presentation, English or Spanish.

Please fill in the attached document and send it to iwbldcm2023@uco.es, as subject "Personal information".

Thank you in advance!

Best regards

Organizing Committee IWBLCM 2023
